Vers 1.1	ion	Revision Date: 31.07.2021		S Number: 01561	Date of last issue: 30.07.2021 Date of first issue: 30.07.2021		
SEC	TION 1	. PRODUCT AND COM	ИРА		ON		
	Product name		:	BIFLEX® ULTRA	BIFLEX® ULTRA-LO-ODOUR		
	Other means of identification		:	BIFLEX ULTRA BIFENTHRIN 100 G/L EC			
	Recom	mended use of the cl	hemi	ical and restriction	ons on use		
	Recommended use		:	Termiticide and in	nsecticide		
	Restrictions on use		:	Use as recomme	nded by the label.		
	Manufa	acturer or supplier's o	detai	ls			
	Compa	ny	:	FMC Australasia	Pty Ltd		
	Addres	S	:	Building B, Level North Ryde NSW	2, 12 Julius Avenue, 2113		
	Telepho	one	:	+6161029887900	)		
	Emerge	ency telephone number	r:	For leak, fire, spil 1800 033 111 (I)	l or accident emergencies, call: com)		
				Medical emergen 1 800 033 111 (T	cy: ransport and 24 h Medical information)		

### SECTION 2. HAZARDS IDENTIFICATION

GHS Classification		
Acute toxicity (Oral)	:	Category 4
Acute toxicity (Inhalation)	:	Category 4
Serious eye damage/eye irri- tation	:	Category 1
Skin sensitisation	:	Category 1
Specific target organ toxicity - repeated exposure	:	Category 1 (Nervous system)
Aspiration hazard	:	Category 1

### **GHS** label elements

ersion .1	Revision Date: 31.07.2021	SDS Number: 50001561	Date of last issue: 30.07.2021 Date of first issue: 30.07.2021

#### **SECTION 4. FIRST AID MEASURES**

calcium salts

General advice	:	Move out of dangerous area. Consult a physician. Show this safety data sheet to the doctor in attendance. Symptoms of poisoning may appear several hours later. Do not leave the victim unattended.
If inhaled	:	If unconscious, place in recovery position and seek medical advice. If symptoms persist, call a physician.
In case of skin contact	:	If skin irritation persists, call a physician. If on skin, rinse well with water. If on clothes, remove clothes.
In case of eye contact	:	Small amounts splashed into eyes can cause irreversible tis- sue damage and blindness. In the case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Continue rinsing eyes during transport to hospital. Remove contact lenses. Protect unharmed eye. Keep eye wide open while rinsing. If eye irritation persists, consult a specialist.
If swallowed	:	Clean mouth with water and drink afterwards plenty of water. Keep respiratory tract clear. Do NOT induce vomiting. Do not give milk or alcoholic beverages. Never give anything by mouth to an unconscious person. If symptoms persist, call a physician. Take victim immediately to hospital.
Most important symptoms and effects, both acute and delayed	:	Harmful if swallowed or if inhaled. May be fatal if swallowed and enters airways. May cause an allergic skin reaction. Causes serious eye damage. Causes damage to organs through prolonged or repeated exposure.
Notes to physician	:	Treat symptomatically.

### SECTION 5. FIREFIGHTING MEASURES

## **BIFLEX® ULTRA-LO-ODOUR**

Vers 1.1	sion	Revision Date: 31.07.2021		0S Number: 001561	Date of last issue: 30.07.2021 Date of first issue: 30.07.2021		
	Suitable extinguishing media		:	Carbon dioxide (C Dry chemical Foam	202)		
	Unsuitable extinguishing media		:	High volume wate	High volume water jet		
	Specific fighting	c hazards during fire-	:	Do not allow run-o courses.	off from fire fighting to enter drains or water		
	Hazardous combustion prod- ucts		:	Thermal decompo and vapours. Halogenated com Carbon oxides	osition can lead to release of irritating gases pounds		
	Specific ods	c extinguishing meth-	:	must not be disch Fire residues and	ted fire extinguishing water separately. This arged into drains. contaminated fire extinguishing water must accordance with local regulations.		
	Specia for firef	l protective equipment ighters	:	Wear self-contain essary.	ed breathing apparatus for firefighting if nec-		
	Hazche	em Code	:	•3Z			

#### SECTION 6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protec- : tive equipment and emer- gency procedures	Use personal protective equipment. Ensure adequate ventilation.
Environmental precautions :	Prevent product from entering drains. Prevent further leakage or spillage if safe to do so. If the product contaminates rivers and lakes or drains inform respective authorities.
Methods and materials for : containment and cleaning up	Soak up with inert absorbent material (e.g. sand, silica gel, acid binder, universal binder, sawdust). Keep in suitable, closed containers for disposal.

### SECTION 7. HANDLING AND STORAGE

Advice on protection against fire and explosion	:	Normal measures for preventive fire protection.
Advice on safe handling	:	Do not breathe vapours/dust. Avoid exposure - obtain special instructions before use. Avoid contact with skin and eyes. For personal protection see section 8. Smoking, eating and drinking should be prohibited in the ap- plication area. To avoid spills during handling keep bottle on a metal tray. Dispose of rinse water in accordance with local and national regulations.

Version 1.1	Revision Date: 31.07.2021		Number: 01561	Date of last issue: 30.07.2021 Date of first issue: 30.07.2021	
		a t	allergies, chronic	ble to skin sensitisation problems or asthma, or recurrent respiratory disease should not ny process in which this mixture is being	
Hygiene measures		۱	When using do not eat or drink. When using do not smoke. Wash hands before breaks and at the end of workday.		
Conditions for safe storage		6 6 6 7 7 7 7 7 7 7 7 7 7 7 7 7 7 7 7 7	Keep container tightly closed in a dry and well-ventilated place. Containers which are opened must be carefully resealed a kept upright to prevent leakage. Observe label precautions. Electrical installations / working materials must comply with the technological safety standards.		
Furthe age sta	r information on stor- ability	: 1	No decompositior	if stored and applied as directed.	

### SECTION 8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Components	CAS-No.	Value type (Form of exposure)	Control parame- ters / Permissible concentration	Basis

### SECTION 13. DISPOSAL CONSIDERATIONS

Disposal methods	
Waste from residues	<ul> <li>The product should not be allowed to enter drains, water courses or the soil.</li> <li>Do not contaminate ponds, waterways or ditches with chemi- cal or used container.</li> <li>Send to a licensed waste management company.</li> </ul>
Contaminated packaging	: Empty remaining contents. Dispose of as unused product. Do not re-use empty containers.
